At Rest

*Think of me as one at rest,
For me, no need to weep,
I have no pain, no troubled thoughts,
For I am just at peace.*

*The living, thinking me that was,
Is now forever still,
And life goes on without me,
As time forever will.*

*If your heart is heavy now,
Because I've gone away
Dwell no long upon it friend
For none of us can stay*

*To those friends who liked me
I sincerely thank you all
And those of you that loved me
Well, I thank you most of all
For in my fleeting lifespan
As time when rushing by,
I found some time to hesitate,
To laugh, to love, to cry.*

*It matters not when time began,
Or if time will ever cease,
For I was here, I used it all
And now, I am at peace.*
